General form overview

A You can access the digital NSW Certificate of Capacity from the HealthLink homepage, in the General Services section.

The screenshot displays the HealthLink website interface. At the top left is the HealthLink logo with the tagline 'connecting with care'. To the right of the logo, the contact information '1800 125 036 (AUS) helpdesk@healthlink.net' and a 'Contact Us' link are visible. Below the header is a navigation bar with a 'Make a referral' button. The main content area is divided into several sections: 'Specialists, Allied Health Providers and GPs' with a sub-section for 'Specialists & Referrals' (Refer to Private Specialist) and a link for 'Refer / Contact other health providers'; 'General Services' where the 'NSW Certificate of Capacity' link is highlighted with an orange box and a callout 'A'; 'Referred Services' listing various health services; and 'Support' with links for 'HealthLink Demo Forms', 'HealthLink eReferral Reference Libraries (beta)', and 'HealthLink Demo RMS Lite'. The footer contains copyright information '© 2023 Healthlink Group Limited', a 'Knowledge Base' link, and links for 'Privacy Policy | Security | Terms of Use'.

E Save time when completing a subsequent certificate by reusing a previous certificate.

In addition to using the latest patient and provider details from your records, you can copy over details such as work capacity from a previous certificate, except for dates.

This list includes the last 5 certificates completed using our solution, for this patient, at your practice, in the last 90 days.

F If the previous certificate is not listed, select 'Certificate not in this list'.

The screenshot shows a form titled "Certificate Details". It contains the following elements:

- A question: "Is this the initial certificate for this claim? *". Below it are two radio buttons: "Yes" (unselected) and "No" (selected).
- A question: "Prepopulate from previous certificate ⓘ *". Below it is a dropdown menu.
- The dropdown menu is open, showing a list of certificates with the following details:
 - Certificate not in this list
 - WC: 123456789 - Date of Injury: 22/08/2023 - Cert Date: 11/10/2023 - Review: 25/10/2023 - Insurer: EML

Filling out the form

Patient completing the Injured Person's Consent and Employment Declaration before form submission.

A You now have the option for the patient to sign and complete both the **Injured Person's Consent and Employment Declaration** before completing the form.

B If the patient is unable to sign and complete these sections, you can still complete the form as you currently do - select 'No' and obtain the consent by reading and ticking the checkbox.

C When you choose to get the patient to sign and complete these sections, the PDF version of the completed form will automatically include these details. This eliminates the burden of printing, getting the patient to complete/sign the printout, scanning the edited form, and manually saving it against your patient's record.

Completing the form - Completed form

E A confirmation message displays when the certificate is completed.

Completing the form creates a PDF version of the NSW Certificate of Capacity / Certificate of Fitness form and saves a copy against the patient record. If the Insurer / Employer is signed up with us to receive this form, we will securely send it to them.

Do I still need to sign the form?

Where the form is sent directly to an insurer participating in our pilot, there is no need for you to sign – the insurer will know who completed the form based on your access to the HealthLink Forms page. However, for other insurers, we ask that you follow your current process. The same applies for the patient's signature.

Do I need to download a copy of the form?

On successful form completion, a PDF version of the form will be automatically stored against the patient record. Depending on your practice software, you will find this under Correspondence Out or Letters. However, you have the option to download a copy manually after completion, by clicking the "Download/Print" button. You may wish to do this to share a copy with your patient.
